Remarks

A covered front porch leads into this twin home in College Hill, where a fireplace anchors the living room. The main level features luxury plank flooring, a formal dining area, first-floor laundry, and a full bath. Cooking takes place in the eat-in kitchen, which features Quartz countertops, stainless-steel appliances, and gas cooking. The second floor offers three bedrooms and a remodeled full bath. On the third floor, two additional rooms provide flexible living space or a layout suitable for a bedroom with a private sitting area. Outside, the property includes refreshed landscaping and a detached garage, with a new roof among the updates. This remodeled residence offers a blend of spaces designed for comfortable daily living.
